**Subject:** WIC Update March 13

Hi All,  
Short update this week. Have a great weekend.  
Kathleen

**1. SPIRIT Information:**

⇒ A SPIRIT glitch: Risk factor 332 cannot be CPA assigned; it is still a system assigned only risk factor. Requests for a change in the assignment method for 332 have been submitted to the SPIRIT User Group.

The Risk Code is only triggered by an entry in the "Last Pregnancy Ended" field and has to be done during the pregnancy cert. Without a pregnancy record for a participant, SPIRIT will not assign this risk.

**SPIRIT Help Desk Info:**

Send all questions, issues and errors to the WIC SPIRIT Helpdesk at [wicpsirithelpdesk@alaska.gov](mailto:wicpsirithelpdesk@alaska.gov) or phone them at 907-334-4900.
